Chairman's report

I have received a letter from Mr. Robert Mold Newpark Primary Academy re smallholdings ----

Dear David,

Thank you for your correspondence earlier in the year. I am excited to tell you that we are now consulting on turning part of our school field on Skipton Road into a community learning farm/smallholding. We are really keen to hear from the local community, please could you share this amongst your members? We are particularly interested to meet any members who have perhaps always wanted a smallholding but have been unable to find a suitable plot of land.

The link to the consultation is here: <https://t.co/y0QTKJju9A>

Thanks

Rob Mold
